Just one accident will cause the entire Sprayground to shut down, ending the party for everyone.

Please take children on frequent potty breaks.  
Restrooms are located nearby.

## LIGHTNING DETECTION SYSTEM

When lightning strikes within 5 miles, a combination of strobes and sirens are emitted. When this alarm is activated, the Sprayground automatically shuts off the water and remains shut off until the system indicates safe weather conditions.

## WANT TO HOST A PARTY AT THE SPRAYGROUND?
