SEPTEMBER 2026

THIS MONTH'S HIGHLIGHT

Stirling Skate Park

The Skate Park is opening soon - stay tuned for more information regarding our reopening date!

The Skate Park is undergoing repairs to address areas of damage and ensure the park is safe and ready for continued use. The City worked with Pennoni Engineering to identify the appropriate repairs, develop project specifications, and solicit bids from qualified, licensed contractors. The Timm Group was awarded the project and completed the work.

Repairs are focusing primarily on the bowl, including restoring heavily damaged concrete around the coping and adding expansion joints to allow for appropriate movement between the concrete and coping. Additional repairs include addressing concrete cracks and chips throughout the park, as well as trim painting to refresh the facility.
