

# 2025 *City of Dunedin* LEGISLATIVE AGENDA

To promote and protect initiatives important to our community, residents, businesses, and visitors.

## HOME RULE

Federal and state legislation impacting Home Rule continues to create challenges for local government implementation. One size does not fit all communities.

The City of Dunedin stands with our fellow municipalities in **SUPPORT** of strengthening and protecting Home Rule powers of governance. The Home Rule Powers Act of 1973 was intended to allow local government to effectively and efficiently respond to and provide for our residents and unique community needs. Preempting legislation binds our abilities to do so.
